## WHO WE ARE:

The Company **Milan S.r.l. a socio unico**, sole owner and founder of the brand **tasker®**, is an Italian firm located in Cusago, a small city next to Milan.

We are specialized in the production and distribution of high quality cables and accessories addressed to the following sectors: **Audio, Video, Broadcast, Data Network, Electronics and Industrial** in general.

The **UNI EN ISO 9001** certification ensures our items quality, also guaranteed by more than **40 years of experience** in the production, technical planning and worldwide distribution.

All our articles are **MADE IN ITALY** and the constant development of the production department allows to increase, year after year, the offer and the availability of our products which boasts today more than **3000 articles** (among cables, connectors and preassembled of different lengths and colors) **always available on stock and ready for delivery!**

*«Great things in business are never done by one person.  
They are done by a team of people!»*

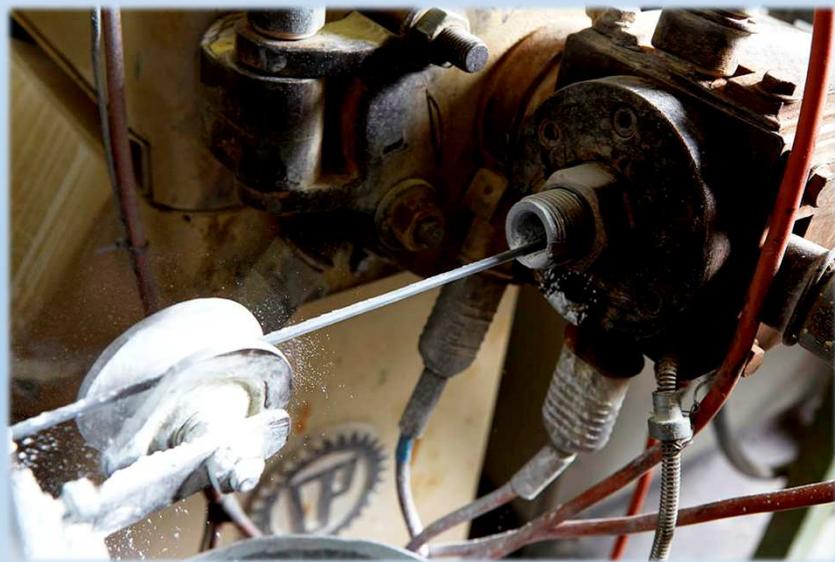

*Steve Jobs*

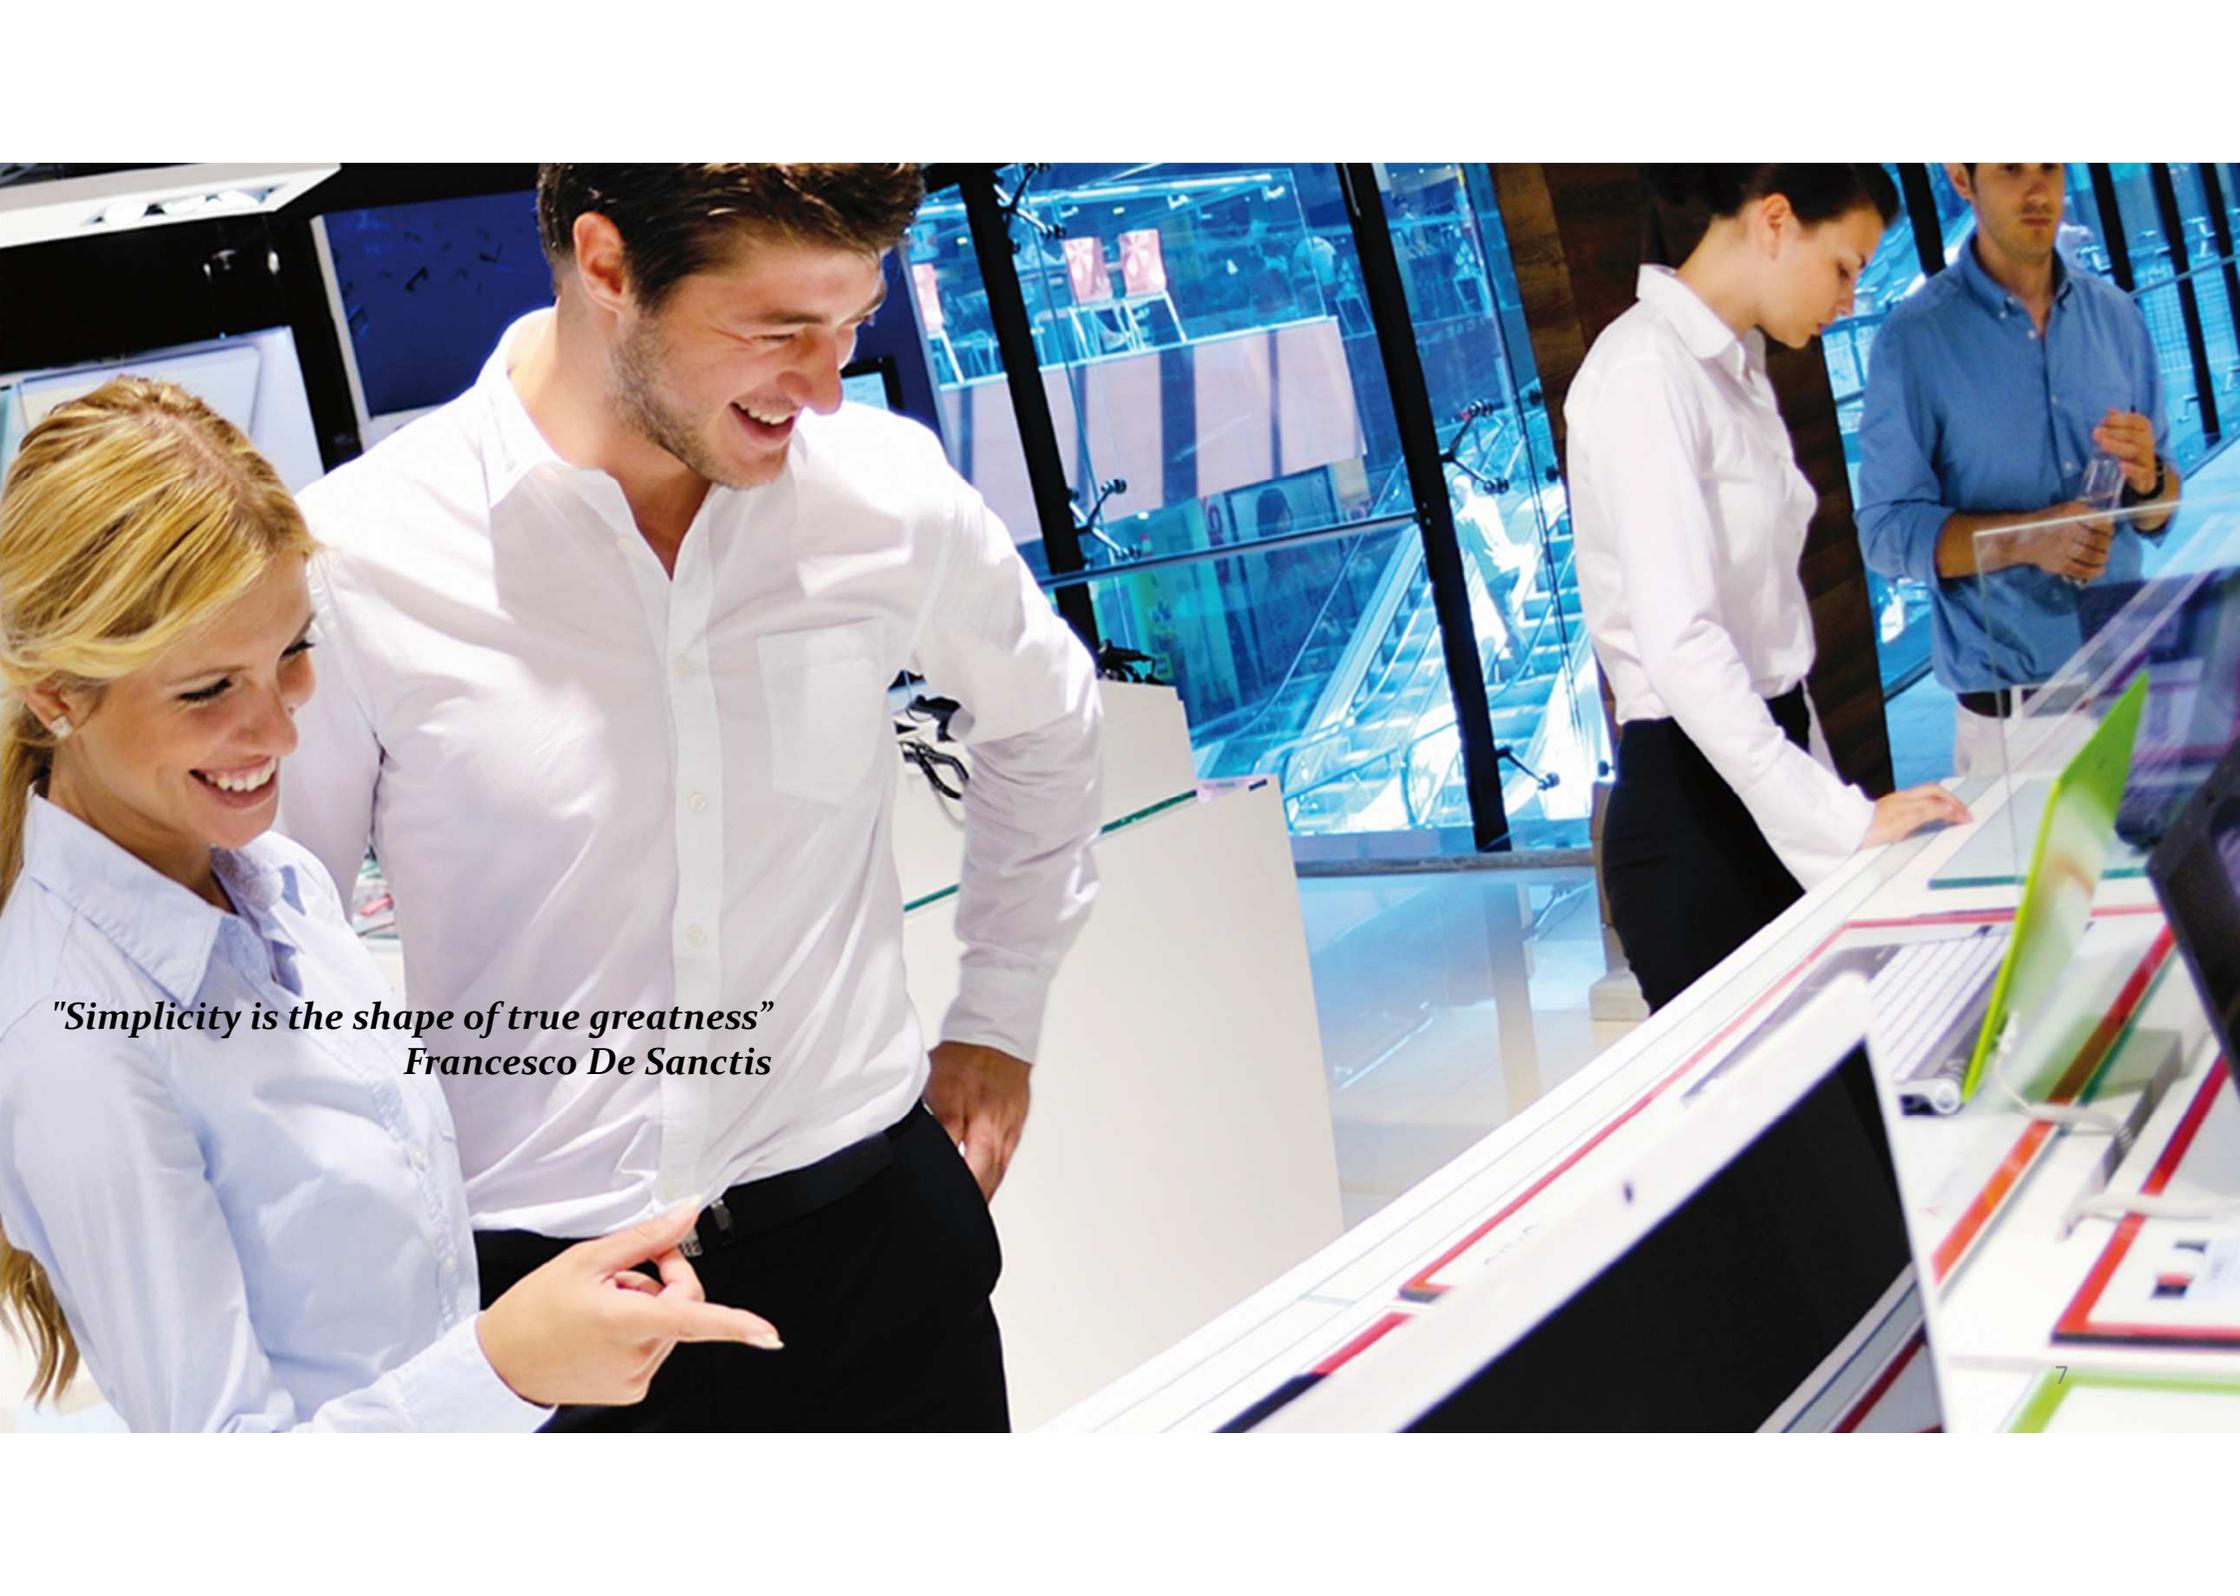

## OUR PRODUCTION CENTRE:

Besides the **standard production** of about **3.000 articles always available on stock**, our production center and technical department closely cooperate to fulfill every customer request, included the more specific ones! Indeed our **special production** department is able to offer very peculiar products such as: a wide range of komby cables “all in one”, cables with particular sheathing and insulation in extra soft PVC, flame retardant PVC, L.S.Z.H, PE, PUR, anti-rodents armored cables, anti-friction or gas injected dielectric with low loss, etc..

The minimum quantities required to start a **special production** starts from **2.000 meters**, while the processing times are about **20/30 working days**.
