

New Tasker C294

Make your stage great and realize your Midsummer Night's Dream with tasker C294!

Tasker announces his new DMX Komby Cable, composed by 4 AES/EBU digital Audio 110 ohm and an integrated power Cable 3x2,50 mm².

Ideal for broadcast installations and DMX, in TV and recording studios, as in public buildings, shows and demonstrations thanks to its sheath in Flame Retardant PVC.

We are able to realize custom versions with L.S.Z.H., PE or PUR sheath, with or without reinforcement of galvanized steel for installations even in presence of rodents.

Tasker strives daily to research and develop new products and materials, creating also custom productions, which allow you to have a specific solution for every single customer and to anticipate upcoming technologies, providing new products to meet the needs of today and tomorrow.
